

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ALABAMA
SOUTHERN DIVISION

LAURA FAUGHT and STEVEN
FAUGHT,

Plaintiffs,

v.

AMERICAN HOME SHIELD
CORPORATION,

Defendant.

Case No. 2:07CV1928:RDP

**DECLARATION OF JOHN W.
DAVIS IN SUPPORT OF
OBJECTING CLASS MEMBERS'
APPLICATION FOR AN AWARD
OF ATTORNEY'S FEES AND
COSTS**

I, John W. Davis, affirm the following:

1. I am a member in good standing of the State Bars of California and Florida. I have been admitted to practice before this Court *pro hac vice*, and am counsel for Miriam and John Chapon (“Objectors”) in this matter. I am submitting this declaration in support of my firm’s application for an award of attorney’s fees for services rendered in the above-captioned matter, and for reimbursement of expenses reasonably incurred in connection with this litigation. The following statements are based on my personal knowledge and the files and records in this case of which I am aware and, if called on to do so, I could and would testify competently thereto.
2. I am the owner of the Law Office of John W. Davis. While my firm devoted its time and resources to this matter, it has foregone other legal work for which it would have been compensated either on an hourly basis, a negotiated contingency basis, or by a court-awarded fee.
3. Attached hereto as **Exhibit A** is a true and correct copy of my contemporaneous time records up until the date of entry of judgment.
4. As reflected in the attached time records, I billed 94.5 hours on this matter for handling tasks which took place up to and including entry of judgment. I have not included hours spent on tasks subsequent to entry of judgment. My current hourly rate is \$475. My lodestar totals: \$44,887.50. Given the time delay, I believe an award of fees at my current hourly rate is appropriate. *See, e.g., Anderson v. Director, Office of Workers Comp. Programs*, 91 F.3d 1322 (9th Cir. 1996). No hours have been included in this lodestar that were incurred in the review of the firm’s time entries, or in the drafting of this declaration.
5. In addition to the hours described above, my firm has incurred \$1,138.57 in unreimbursed expenses. These expenses are detailed in Exhibit A attached hereto.

6. My firm's contemporaneous records are maintained as part of my regular business practice and are reviewed daily for accuracy. Prior to preparation of this declaration I again reviewed my records for accuracy and compared the work performed with my file.

7. I currently handle numerous complex business litigation matters and have substantive experience in class action litigation. Additionally, I have prior experience in construction defect litigation, consumer fraud, and unfair business practices litigation. My regular hourly rate that I charge for class action litigation work is \$475 per hour. In many cases, my hourly rate has exceeded this amount.

8. The objection filed on behalf of my clients has resulted in a constructive enhancement to the settlement of this matter. My clients' objections resulted in denial of the *Edleson* matter which forced the settling parties to provide additional benefits to class members in the settlement approved by this Court.

9. On or about May 27, 2009, I met with counsel for the settling parties at their request to discuss possible resolution of objections. At that meeting, I, along with other objectors' counsel, made several suggestions as to how the proposed settlement could be improved to benefit class members. Several of the suggestions offered at the May, 2009 meeting were ultimately adopted by the settling parties in seeking approval of the *Faught* settlement.

10. Objectors provided an adversarial and critical context in which to evaluate the settlement, thereby effecting additional changes including the denial of an unqualified award of compensatory damages to lead plaintiffs. These enhancements will result in an increase in the value of the fund available to injured class members.

This declaration has been signed under penalty of perjury under the laws of the United States of America. It was executed on the 11th day of May, 2010 in the County of San Diego, California.

/s/ John W. Davis.
